ORDERS CONTRACT COMPLETED OR STATE WILL DO WORK Highway Commissioner MacDonald Here on Friday Concerning Ledyard

MacDonald was in town on Friday and gave peremptory orders for the contractor to proceed with the contract of the road to Gases Ferry on the east side of the river. Instructions have

Highway Commissioner MacDonald.

been sent to the contractor, Mr. Eld-redge, that if he does not proceed at once with his contract the state will proceed to finish the job. This ac-tion on the part of the state is due to the fact that the contractor has left his work in a deplorable condition, which has resulted in a dangerous and unpleasant highway for the use of the public.

commissioner's visit was principally on this account. The matter has been placed in the hands of County Engineer Campbell and County Inspector Donovan for adjustment.

The Ledyard people complained of the condition of the road, the contrac-tor not having been there in six months. It was investigated a week months. It was investigated a week ago by Inspector Donovan, who reported the situation to the highway commissioner. There is a stretch of road this side of Stoddards Wharf which is in a frightful condition many teams and autos having become stalled there. No lights or signs have been placed there for their protection and the road was dangerous, which condition the commissioner does not condition the commissioner does not intend to tolerate.

MORE PIPE RECEIVED. Half the Amount Which Will Be Reis Now Here-2,000 Lengths

The second boatload of pipe for the Stony brook reservoir pipe line has arrived at the Huntington wharf at Thamesville and the job of unloading it is under way. There are 446 lengths aboard this vessel, making a total of 1,000 lengths here, or one-half of the total number of lengths required for the job. The carting of the pipe to the trenches is under way.
